## S-PHYRE

NEXT-GEN S-PHYRE AERO DESIGN AND MAGNETIC LENS SYSTEM FOR PRO-LEVEL OPTICS.

### FRAME

- Straight upper rim reduces drag and distractions.
- Change lenses in a snap with our easy and secure magnetic lens-swapping system.
- Radiused temples with a non-slip pattern for secure fit and comfort.
- Reversible nose pad features different front and back thicknesses for fit adjustment.
- Strong, durable, and lightweight Grilamid® TR 90 frame.
- Dual injection-molded, non-toxic TPE temple tips.

### LENSES

- Full-coverage, one-piece lens for a wide field of vision and protection.
- Magnetic lens system reduces lens distortion for greater visual comfort throughout your field of view.
- Cycling dedicated RIDESCAPE lens optimally tuned for greater contrast and clarity in every riding scene.
- Extremely lightweight and impact resistant polyamide (PA) lens boosts clarity.
- Full UV400 protection.
- Oleophobic coating improves water repellency and reduces fingerprint smudges.
- Anti-scratch treatment is 3x more durable than regular coatings.

### PACKAGE

- Travel box.
- The eyewear pouch can be used for lens cleaning.
- XL nose pad included.

### REFERENCE WT.

- 29.3 g

# AEROLITE P

AEROLITE P WIDENS THE WORLD WITH A RIMLESS PANORAMIC VIEW LENS FEATURING EXCEPTIONAL CLARITY AND SMOOTH AERO PROFILE.

## FRAME

- Rimless frame creates an ultra-smooth aerodynamic surface.
- Ultrasonic welding of frame to lens slashes weight to 23.4 g.
- Radiused temples with non-slip pattern for secure fit and comfort.
- Reversible nose pad features different front and back thicknesses for fit adjustment.
- Strong, durable, and lightweight Grilamid TR90 frame.
- Dual injection molded, non-toxic TPE temple tips.

## LENSES

- Panoramic view 7-curve one-piece lens hugs the face's contours to maximize eye protection at high speeds.
- Ultrasonic welding between frame and lens reduces distortion.
- Cycling dedicated RIDESCAPE lens optimally tuned for greater contrast and clarity in every riding scene.
- Colored lens edge.
- Full UV 400 protection.
- Hydrophobic coating increases water-repellency, keeps lenses cleaner.
- Special anti-scratch treatment.
- Extremely lightweight and impact resistant Polyamide (PA) lens boosts clarity.

## PACKAGE

- Travel box.
- Eyewear pouch can be used for lens cleaning.
- XL nose pad included.

## REFERENCE WT.

- 23.4 g

# EQUINOX

EQUINOX COMBINES THE LATEST TECHNOLOGIES AND STYLES INTO AMAZINGLY VERSATILE EYEWEAR.

## FRAME

- Stiff half-rim frame keeps lens in right place.
- Radiused temples with non-slip pattern for secure fit and comfort.
- Reversible nose pad features different front and back thicknesses for fit adjustment.
- Strong, durable, and lightweight Grilamid TR90 frame.
- Dual injection molded, non-toxic TPE temple tips.

## LENSES

- Full-coverage, one-piece lens for wide field of vision and protection.
- Cycling dedicated RIDESCAPE lens optimally tuned for greater contrast and clarity in every riding scene.
- Optional Gray Photochromic lens with wider light transmittance range is optimal for changing light conditions.
- Full UV 400 protection.
- Hydrophobic coating increases water-repellency, keeps lenses cleaner.
- Special anti-scratch treatment.
- Interchangeable lens.
- Extremely lightweight and impact resistant Polyamide (PA) lens boosts clarity.

## PACKAGE

- Travel box.
- Eyewear pouch can be used for lens cleaning.
- XL nose pad included.

## REFERENCE WT.

- RS: 26.6 g
- PH: 28.2 g

Spare lens: No spare lens

# TECHNIUM

WIDER VIEW, BETTER PROTECTION, AND OFF-ROAD SPECIFIC ONE-PIECE LENS FOR AGGRESSIVE TRAIL RIDING.

## FRAME

- Full-rim frame with wide one-piece lenses.
- Lens slits for ventilation prevent fogging.
- Lightweight, strong, and durable Grilamid TR-90 material.
- CNC molding for ultimate precision, symmetry, and quality.
- Dual injection molded, non-toxic TPE, non-slip temple tips.

## LENSES

- Single-lens design for a wide angle of vision and protection.
- Cycling dedicated RIDESCAPE lens optimally tuned for greater contrast and clarity in every riding scene.
- Full UV400 protection.
- Hydrophobic coating increases water-repellency, keeps lenses cleaner.
- Special anti-scratch treatment.
- Interchangeable lens.
- Extremely lightweight and impact resistant Polyamide (PA) lens boosts clarity.

## PACKAGE

- Travel box.
- Eyewear pouch can be used for lens cleaning.

## REFERENCE WT.

- 27.1 g

NEW

# AEROLITE

GAIN A NEW PERSPECTIVE WITH AEROLITE'S WIDE LENS, AGGRESSIVE DESIGN, AND RX-CLIP COMPATIBILITY.

## FRAME

- Stiff, low-profile bottom rim doesn't obstruct your field of view.
- Codeveloped with RX-CLIP to clip in and out easily.
- Radiused temples with a non-slip pattern for secure fit and comfort.
- Change face-to-lens distance with the adjustable nose pad.
- Strong, durable, and lightweight Grilamid® TR 90 frame.
- Dual injection-molded, non-toxic TPE temple tips.

## LENSES

- Single-lens design for a wide angle of vision and protection.
- RIDESCAPE HC high-contrast lenses block harsh glares to boost definition and details for enjoyable daily riding.
- The optional photochromic gray lens with a wider light-transmittance range is optimal for changing light conditions.
- Hydrophobic coating increases water repellency to help keep lenses cleaner.
- Special anti-scratch treatment.
- Full UV400 protection.
- Interchangeable lens.

## PACKAGE

- The eyewear pouch can be used for lens cleaning.

## REFERENCE WT.

- 26.0 g

## AEROLITE-HC

RIDESCAPE HC

**Black**  
Lens: RIDESCAPE HC (N3)

Lens: Photochromic gray (F0>F3)  
Spare lens: No spare lens

# TWINSARK

LIGHTWEIGHT ALL-ROUND CYCLING PERFORMANCE EYEWEAR.

## FRAME

- Lightweight, strong and durable Grilamid TR-90 material.
- CNC molding for ultimate precision, symmetry, and quality.
- Dual injection molded, non-toxic TPE, temple tips.

## LENSES

- RIDESCAPE HC high contrast lenses block harsh glares to boost definition and details for enjoyable daily riding.
- Full UV400 protection.
- Hydrophobic coating increases water-repellency, keeps lenses cleaner.
- Special anti-scratch treatment.
- Extremely lightweight and impact resistant Polyamide (PA) lens boosts clarity.

## PACKAGE

- Eyewear pouch can be used for lens cleaning.

## REFERENCE WT.

- 27.7 g

## TWINSARK-HC

RIDESCAPE HC

**Black**  
Lens: RIDESCAPE HC (N3)  
Spare lens: No spare lens

**White**

Spare lens: No spare lens

**Red**  
Lens: RIDESCAPE HC (N3)  
Spare lens: No spare lens

# PULSAR

VERSATILE ON AND OFF-ROAD SHADES WITH SPORTY STYLING HELP RIDERS AND THE WORLD AROUND THEM STAND-OUT.

## FRAME

- Dual injection molded, non-toxic TPE, temple tips.
- Lightweight, strong and durable Grilamid TR-91 material.
- CNC molding for ultimate precision, symmetry, and quality.
- Grippy rubber temple tips keep glasses in place on and off the road.

## LENSES

- RIDESCAPE HC high contrast lenses block harsh glares to boost definition and details for enjoyable daily riding.
- Full UV400 protection.
- Hydrophobic coating increases water-repellency, keeps lenses cleaner.
- Special anti-scratch treatment.
- Extremely lightweight and impact resistant Polyamide (PA) lens boosts clarity.

## PACKAGE

- Eyewear pouch can be used for lens cleaning.

## REFERENCE WT.

- 25.5 g

## PULSAR-HC

RIDESCAPE HC

**Black**  
Lens: RIDESCAPE HC (N3)

**Dark gray**  
Lens: RIDESCAPE HC (N3)

**Deep ocean**  
Lens: RIDESCAPE HC (N3)

**Bronze green**  
Lens: RIDESCAPE HC (N3)

# SQUARE

CYCLING SUNGLASSES THAT SHINE IN ANY SITUATION WITH SHARP LINES AND A TIMELESS SQUARED DESIGN.

## FRAME

- Lightweight, strong and durable Grilamid TR-91 material.
- CNC molding for ultimate precision, symmetry, and quality.
- Sleek, inserted metal hinges.
- Square-shaped frames with clear, well-defined lines are an excellent match for round faces.

## LENSES

- RIDESCAPE HC high contrast lenses block harsh glares to boost definition and details for enjoyable daily riding.
- Full UV400 protection.
- Hydrophobic coating increases water-repellency, keeps lenses cleaner.
- Special anti-scratch treatment.
- Extremely lightweight and impact resistant Polyamide (PA) lens boosts clarity.

## PACKAGE

- Eyewear pouch can be used for lens cleaning.

## REFERENCE WT.

- 27.6 g

## SQUARE-HC

RIDESCAPE HC

**Black**  
Lens: RIDESCAPE HC (N3)

**Deep ocean**  
Lens: RIDESCAPE HC (N3)

**Transparent dark gray**  
Lens: RIDESCAPE HC (N3)

# TOKYO

URBAN-CHIC EYEWEAR THAT HELPS YOU SEE THE CITY IN A NEW LIGHT WITH ITS ELEGANT WELLINGTON STYLE.

## FRAME

- Lightweight, strong and durable Grilamid TR-91 material.
- CNC molding for ultimate precision, symmetry, and quality.
- High-precision bolted-on metal hinges.
- Wellington style frames with larger lenses are an excellent match for long faces.

## LENSES

- RIDESCAPE HC high contrast lenses block harsh glares to boost definition and details for enjoyable daily riding.
- Full UV400 protection.
- Hydrophobic coating increases water-repellency, keeps lenses cleaner.
- Special anti-scratch treatment.
- Extremely lightweight and impact resistant Polyamide (PA) lens boosts clarity.

## PACKAGE

- Eyewear pouch can be used for lens cleaning.

## REFERENCE WT.

- 27.5 g

## TOKYO-HC
